National Seminar on

RECENT ADVANCES IN SCIENCE
AND TECHNOLOGY (RAST)

10th and 11th March 2018

Organised by

IGIT, Physics Forum
Department of Physics

INDIRA GANDHI INSTITUTE OF TECHNOLOGY, SARANG
(An Autonomous Institute of Govt. of Odisha)
Sarang, Parjang, Dhenkanal – 759146

www.igitsarang.ac.in
Email: physicsforum@igitsarang.ac.in

Objectives

The IGIT Physics Forum aims to inculcate the ideas and beauty of Physics among people in and around Indira Gandhi Institute of Technology, Sarang. The forum has successfully completed two eventful years full of activities including workshops, seminars, science quiz etc. This seminar aims to provide a platform of comprehensive discussions with peers in the subject matter.

About the Institute

Indira Gandhi Institute of Technology (IGIT), Sarang was established in 1982 as an autonomous institute of Govt. of Odisha imparting technical education to Diploma, B.Tech, M.Tech and M.Sc students. Since its inception, the institute marches ahead to excel in technical education and to facilitate an interacting teaching and learning process.

Who should participate

The seminar provides unique opportunity of learning from distinguished personalities who have already gained recognition of National and International level. Faculties, Research Scholars, UG and PG students should participate.

Venue

The seminar will be held at the campus of Indira Gandhi Institute of Technology, Sarang, Dhenkanal, Odisha-759146. The venue can be reached both by road and train. The nearest railway station is Talcher road. The venue is about 140Kms from the state capital Bhubaneswar.

Registration

Interested participants may register their names either in advance or at the venue. The decision of the organising committee regarding the participation for the seminar is final.

Accommodation

Outstation participants may request before 6th March 2018 for accommodation on payment basis.
